

Acme Corp — Business Model & Strategic Overview

Prepared for Internal Strategy Review | FY2025 Planning Cycle | CONFIDENTIAL

1. Company Overview

Acme Corp is a B2B SaaS company founded in 2015, headquartered in San Francisco, CA. The company builds cloud-native workflow automation and data integration software for mid-market and enterprise customers across North America, Europe, and Asia-Pacific. Acme serves 1,400+ paying customers across 38 countries with an ARR of \$98.4M as of Q4 2024.

2. Value Proposition & Target Market

Dimension	Detail
Primary ICP	Mid-market & enterprise operations teams (500–10,000 employees)
Core Problem Solved	Manual, siloed workflows that slow down cross-functional processes
Key Value Proposition	50–70% reduction in process cycle time through no-code automation
Differentiation	Native AI-assisted workflow builder + 300+ pre-built integrations
Pricing Model	Subscription: \$2,000–\$50,000/month depending on seats and modules
Expansion Motion	Land-and-expand: start with 1 department, grow to enterprise-wide
