4. Strategic Priorities — FY2025

- Launch card issuing product (debit + credit) for embedded finance customers — Q1 2025.
- Expand to UK and EU markets — obtain EMI licence from FCA and Banka d'Italia.
- Close \$90M Series D funding round — process initiated Q4 2024.
- Grow TPV to \$9B (2.1× growth) driven by existing customer expansion and new verticals.
- Achieve PCI DSS Level 1 and SOC 2 Type II recertification — Q2 2025.

5. Competitive Landscape

Hooli Ventures competes in a dynamic market. Key competitive advantages include proprietary technology, strong customer relationships, and a high-quality team. The company continuously monitors market movements and invests in R&D; and product development to maintain its competitive edge.
